CUSTOMER NAME: _____

JOB # _____

This form is for all items considered to be “high risk” or “high value” by either the shipper or the carrier. The purpose of this inventory is to assist you in identifying articles of extraordinary or unusual value in order that the carrier will be aware of those items which require special handling and protection.

Please note the following guidelines for purchasing additional Moving Coverage with Omega Moving & Storage, Inc.

- An onsite is required before your job is placed on the schedule
- **Inventory Sheet with values of all items moving submitted no less than 72 hrs prior to your moving date**
- An Omega Mover or your Moving Consultant may recommend items to be crated by wood for the proper protection while in transit; for example, high end TVs, all artwork, small motorized vehicles
- All items valued over \$500 will itemized/inventoried separately from all other items included in policy, per advisement of shipper. Additionally, the terms of Extraordinary (Unusual) Value must be accepted.
- Movers must verify all appliances or electronics to be covered are in working condition
- **All items that will be protected in a box, must be packed by an Omega Mover**
- Photos and Videos will be taken on the day of the move to provide confirmation of the condition of the items covered under the FVP plan
- Review value amounts printed on your estimate
- Review Valuation Costs and Applicable Deductibles
